1.0 Purpose

The purpose of this Code of Conduct ("Code") is to ensure a safe and positive environment (within MODS programs, activities, and events) by making all individuals aware that there is an expectation, at all times, of appropriate behavior consistent with the values of MODS, as set out in this policy.

2.0 Policy

MODS is committed to providing an environment in which all individuals are treated equally, with respect, and without discrimination. Individuals are expected to conduct themselves with fairness, integrity, accountability, excellence, accessibility, innovation, and respect.

Conduct that violates this policy may be subject to sanctions pursuant to MODS' Discipline and Complaints Policy. Pertaining to school programs, MODS may forward the case to the school to determine discipline/sanctions, in accordance with the MHSAA handbook.

In addition to any discipline assessed to any individual found in violation of the Code, no one may hold a position of authority (Board Member, Committee Member, Staff, Coach, Official, Observer) within MODS while under sanction until they have completed all requirements as laid out in the ruling to the satisfaction of the Board. This extends to sanctions imposed by Ultimate Canada or any other organization with a reciprocity agreement with MODS.
